***Rally and March
Thursday 8th September
Assemble at the Domain
Sydney at 11.30am***

Barry O'Farrell told us to trust him. But since his election he has taken away the rights of NSW Public Sector workers.

He is now threatening to sack thousands of public sector workers across NSW. This will put pressure on our vital public services.

We need to tell the O'Farrell Government that this is not good enough. NSW deserves Better.

Make your voice heard and attend the rally!
