# NOTICE TO MEMBERS

The Union believes that State Transits interpretation and implementation of Clause 41 of our Award which articulates arrangements for Standing Time in Sydney is incorrect and the matter has been placed in dispute.

This dispute will be the subject of arbitration at the New South Wales Industrial Relations Commission in proceedings commencing 7<sup>th</sup> August, 2012.

Where trip adjustments are required to clear Standing Time, which has been transferred from earlier termini, members are advised to comply with any directions from Supervisors and/or Radio Room.

When the matter is concluded, both STA and the Union will be bound by the Commissions interpretation, and if necessary Supervisor/Radio Room practice will be changed to comply.

The Commissions decision will be made available to Union Members.

Yours sincerely,

Gary Way  
Divisional President
