## **May Day Rally – March on Sydney!**

**Join us for May Day on May 5th** to celebrate the achievements of the union movement and to fight for our future.

Our government has stacked the system against working people for far too long and it's time for us all to stand up for a fair go.

Hear from the leaders of our powerful movement, **Mark Morey and Sally McManus**, about why

**we need to change the Government  
to Change the Rules.**

**We need to march for our future because:**

- Insecure work has reached record highs,
- Wage growth has stagnated while the cost of living is soaring,
- The gender pay gap is growing, and
- Our TAFES have been pulled apart - our schools underfunded.

This government has destroyed the fair go in Australia.  
It's time for us to take a stand.

Join us after the march for an afternoon of stalls, free rides, food,  
and entertainment at the May Day Festival  
at Prince Alfred Park.

**Bring your family & friends and let's Change the Rules.**

**Meet @ Hyde Park North 11am**
