

Rail, Tram & Bus Union

(NSW Branch)

Negotiations have begun for your new State Transit Authority Bus Operations Enterprise (State) Award!

- This State Government wants your Award to remain the same so that negotiations do not affect its process of Privatisation.
- This State Government has also said “no wage increases” for government employees because of COVID-19.

These points make it difficult to negotiate big changes to your Award, but we will still negotiate to get the best deal possible and change what we can. To do this, we need to know what is important to you at work. Fill in this survey and tell us. This is your chance to speak up.
